My Dear Parishioners,

Praised be Jesus Christ! With the MLB All Star Game in the rear-view mirror, the 2nd half of Baseball Season has begun and my “High Hopes” for the Phillies continue. So far this Season in both watching the games on TV and being at the Ballpark, I’ve noticed an advertisement behind home plate for “NFP”. Apparently, NFP are the initials of an insurance agency; but when I saw those letters I thought of something very different...Natural Family Planning! I wonder what came to your mind?

To a generation of Catholics, the very initials NFP may trigger all sorts of ideas: Perhaps teachings about the evils of contraception, sexual ethics, the rhythm method or Humane Vitae. But to a younger and growing generation all of that would be news to them; and the news of Natural Family Planning is really good news, refreshing and fruitful! News that communicates respect for husband and wife; respect for the body and soul; respect for marriage and family. There is truly a generational difference here.

Why? In part, it’s because many in the younger, growing generation have experienced such bad news. The news that Paul VI prophesied 56 years ago this week when he wrote of contraception’s consequences:

- 1) *“Marital infidelity and a general lowering of moral standards.”*
- 2) *“Men forgetting the reverence due to a woman, and, disregarding her physical and emotional equilibrium, reducing her to being a mere instrument for the satisfaction of his own desires.”*
- 3) *“The danger of this power passing into the hands of those public authorities who care little for the precepts of the moral law... Who will prevent public authorities from favoring those contraceptive methods which they consider more effective? Should they regard this as necessary, they may even impose their use on everyone.”*

These realities – not to mention infertility -- now so familiar to young people are provoking an interest in realizing another way. And that way, enlightened by greater medical science, respect for the body and persons, is Natural Family Planning. In working with young people and preparing them for marriage, I’ve seen a real change in this regard and I do have “high hopes” for the future as I see them embracing NFP and saying “no” to contraception. And that’s a VERY GOOD thing! If you are interested in more information on this topic, visit the US Bishops Website; or call our parish office. We have several couples in our parish who are well-versed on NFP.

Peace,

Fr. Rogers

CULTURE OF LIFE CORNER

NATIONAL NATURAL FAMILY PLANNING (NFP) AWARENESS WEEK – *Love Beyond Measure* July 21 – 27, 2024

“*Love Beyond Measure, Natural Family Planning, Supporting God’s gifts of love and life in marriage*” is the theme of this year’s national Natural Family Planning Awareness Week (July 21–27, 2024). These dates highlight the anniversary of the papal encyclical *Humanae vitae* (July 25) which articulates Catholic beliefs about human sexuality, marriage, conjugal love and responsible parenthood.

As an educational campaign of the United States Conference of Catholic Bishops (USCCB), “NFP Week” celebrates God’s design for married love and the gift of life and raises awareness about Natural Family Planning (NFP) methods. “NFP,” as the U.S. bishops have written, are supportive of Catholic beliefs about married love because NFP “respects the God-given power to love a new human life into being” (USCCB, *Married Love and the Gift of Life*).

The Lord God calls us to love Him and each other as He loves us. In marriage, this takes on a unique quality as the complementarity of husband and wife become the "one flesh" union that Sacred Scripture so beautifully teaches. And, God's gift of children are the fruit of such a noble love!

The Catholic Church invites all the faithful to embrace God’s plan for married love. Learn more about these beautiful teachings which support the use of NFP in marriage at www.usccb.org/topics/natural-family-planning/church-teaching.

Want to learn more about the methods of NFP offered in our diocese? See, <https://cccli.org/> or visit the NFP section of the USCCB website at: www.usccb.org/nfp.

Psalm 23:3

In today's Gospel Jesus' message "Come away by yourselves to a deserted place and rest awhile." Once again

shows us how much God loves and understands our human needs. The apostles are encouraged to deliberately go to the desert to rest from activity and truly renew their relationship with God. In our hectic lives we need to take deliberate time for rest, reflection, and confrontation with God just like the apostles. Quietly reflect on the time and place you can go without distractions. Where can I listen deeply to the voice of God within me?

 Matthew 19:14

Catechesis of the Good Shepherd
Serving children ages 3-6

Taking part in the practical life activities is part of the fun in the atrium. The children will work individually or in small groups while learning to talk to God through play.

Children will select their activity from work already presented to them. Children will be able to return activities over many weeks or months until they have mastered the skill. Older children that have mastered a skill will be able to help young children in the atrium. All activities tie in with the direct aim of order, concentration, coordination and independence.

For those not familiar with SoulCore, it is a beautiful prayer experience that integrates the prayers of the Rosary with gentle stretching and movement. Heather Smalley, fellow parishioner and SoulCore Leader, will be offering a **FREE FAMILY FRIENDLY SOULCORE Experience on Wednesday, July 24 from 9:30 AM – 10:30 AM in the Parish Religious Education Center.** Parents and any child entering 4th grade or older are welcome to join Heather for this unique way to pray the Rosary while any younger children participate in age-appropriate activities related to the Gospel. Younger siblings will be separated into two groups: Children who are potty-trained ages 3 - 5 (entering Kindergarten) and those entering 1st - 3rd Grade.
